LEADING EDGE AVIATION SOLUTIONS SELECTS FLIGHTSAFETY AS ITS PREFERRED TRAINING PROVIDER

LA GUARDIA AIRPORT, New York (October 29, 2012) – FlightSafety International is pleased to announce that Leading Edge Aviation Solutions has selected FlightSafety as its preferred training provider.

“We are pleased that Leading Edge has selected FlightSafety as its preferred training provider,” said Scott Fera, Senior Vice President, Marketing. “We appreciate the recommendation and support of Leading Edge and look forward to serving more of their Customers.”

“FlightSafety’s industry leading training is the best option for our customers,” said Joe Carfagna Jr, President, Leading Edge Aviation Solutions. “We appreciate and value the high quality training FlightSafety provides and strongly encourage our customers to take advantage of it.”

Corporations and individuals who purchase a business aircraft through Leading Edge can receive a credit towards the cost of their training with FlightSafety.

FlightSafety provides training for business aircraft manufactured by Bell Helicopter, Bombardier Aerospace, Cessna Aircraft Company, Dassault Falcon, Embraer, Eurocopter, Gulfstream Aerospace, Hawker Beechcraft, Piaggio Aero and Sikorsky Aircraft Corporation and will soon offer training for AgustaWestland and HondaJet.

“At Leading Edge, it is our mission to be the world's largest and most trusted source for aviation services and solutions,” said Carfagna “Our selection of FlightSafety as our preferred training company is another example of how we seek to provide all business aviation users and potential users with a source of legitimate aviation asset advisory services to create a positive experience through the life cycle of aircraft ownership.”

FlightSafety International is the world’s premier professional aviation training company and supplier of flight simulators, visual systems and displays to commercial, government and military organizations. The company provides more than a million hours of training each year to pilots, technicians and other aviation professionals from 154 countries and independent territories. FlightSafety operates the world’s largest fleet of advanced full flight simulators at Learning Centers and training locations in the United States, Australia, Brazil, Canada, China, France, Japan, South Africa, the Netherlands, and the United Kingdom.
